CAMPION INSURANCE & OMC CLAIMS SERVICE

1800 84 80 80

Immediate and specialised assistance for clients of Campion Insurance.

If you require our full loss assessing service our fee is 10% of the final insurance settlement, subject to VAT.

We do not charge you as a Campion Insurance client for claims below €2,500.

HOW DO WE HELP?

Although we can not stop claims from occurring, we will take the right steps to ensure you have an expert on your side to make the claims process pain free.

Expertise and Experience

OMC Claims bring in-depth knowledge and experience in navigating the complexities of insurance claims.

We understand the fine print of insurance policies, ensuring that you receive fair and maximum compensation for your loss

Complimentary Initial Consultation

Our initial meeting is free and there is no pressure to commit.

Our team will guide you through our services, offering honest advice based on our expertise and track record of success.

Guidance and Support

We act as advocates for you, offering expert advice, answering questions, and alleviating concerns, which can be particularly valuable during stressful situations such as house fire or an escape of water

Conflict Resolution

In cases of disputes or disagreements with the insurance company we leverage our expertise in insurance claims and negotiation skills to resolve conflicts amicably and ensure that your interests are protected throughout the claims process.

Efficient Claim Handling

We handle the paperwork and communication with your insurance company, ensuring that all necessary steps are taken promptly and efficiently to speed up the settlement process.

Thorough Damage Assessment

We inspect the property, assess damages, and provide detailed reports to substantiate the claim, helping to present a strong case to your insurance company.
